

PULSE
COMBUSTION SYSTEMS™

BETTER POWDERS THROUGH
ADVANCED TECHNOLOGY

1/8/2009

John:

I am very pleased with your search optimization and google management services! You quickly got our site onto the first page in native search on major engines, and you saved me a TON of money on Google AdWords by optimizing our usage. The payback on your fees is substantial, and you are a nice guy, too!

James A. Rehkopf
President, Pulse Combustion Systems
